HEDRIA LUNKEN

A dynamic, energetic speaker, consultant and trainer, Hedria Lunken is internationally known for her expertise in creativity training and methodologies.

Hedria will explore with you the world of creativity! What it means to be creative and how you express and show your creativity. The tools, tricks and techniques introduced, demonstrated and practiced by you in this workshop will show you how to open yourself to more ideas and suggestions, and ways to evaluate them in a positive manner.

- ♦ Examine personal and organizational blocks and barriers to creativity
- ♦ Learn techniques for promoting openness to new ideas and innovation
- ♦ Practice using divergent tools and techniques for ideation
