

# *Opportunities for Women Re-Entering the Workforce*

## *RETURNSHIP PROGRAM*

- Are you thinking of re-entering the workforce?
- Are you a stay at home mom who needs to sharpen her job skills?
- Do you need additional training to compete?
- Are you struggling with confidence issues regarding your abilities?
- Are you a retired woman who needs to go back to work?

The “Returnship Program” is a 16-week, certificate program where participants learn to sharpen their job skills and gain self confidence in a nurturing environment. Many of the graduates of this program will be given the opportunity for an internship with a local company. This internship will greatly enhance their “on the job” experience and give the participant a solid work reference to add to their resume.
